Good Afternoon,

My name is Crystal, I'm with Ez HomeLoans and we are in the process of financing a home loan for Morgan Fronefield, and need a Verification of Employment please. I have attached 2 sheets, one will need the employment information; I have circled everything that needs to be filled out (if the question is not applicable, please write N/A. All circle questions must be filled out). I have also attached the borrower's authorization to release their employment information to us.

Please let me know if you have any questions,

Crystal Helweg
