Underwriting capabilities

Commercial D&O

Allianz Global Corporate & Specialty (AGCS) policies provide class leading protection for directors and officers for their personal legal liability as a result of wrongful acts or investigations as a consequence of their management responsibilities. AGCS has a strong, experienced underwriting team focused on client and broker service with support from a sound processing operation, claims resource, and extensive global office network. We have significant policy limit capability and focus on primary and low excess policies for businesses domiciled outside the US.

International Insurance Programmes

AGCS has confirmed D&O capabilities in more than 120 countries and issues local policies via worldwide Allianz entities in more than 70 countries and additional local network partners. AGCS leads several international D&O programmes and has extensive experience and capabilities from managing over 1455 non-Financial Lines programmes.

Other products

IPO/Prospectus Insurance

Cover for wrongful acts in connection with registration and offer documents or prospectuses. This is a ring fenced protection from the conventional management liability policy.

Pension Trustee Liability Insurance

Covers claims against trustees, the pension scheme and sponsoring employer for their duties in relation to the provision of employee benefit plans.

Crime Insurance

Covers any crimes against the insured committed by an employee or a third party, together with cover for insured's legal liability to a client where their employee has stolen from that client.

Reputation Protect

Cover to protect companies reputation in times of crisis. With the support of a group of leading communications agencies the policy will cover the costs of consulting fees and communication expenses during critical situations. The policy is triggered by a 'Crisis Event' which is defined in any established insurance trigger of any insurance policy listed in the schedule of the policy.

Cyber Protect

A comprehensive, worldwide policy that ranges from protection that can be issued at short notice, to a completely tailor-made solution based on our clients' individual requirements, including cover for first party, third party and regulatory losses.

Claims capabilities

Claims Philosophy

The effective management of claims is recognised within AGCS as a vital function. We aim to make the claims service a key differentiator for choosing to insure with us. The claims service is the litmus test of any client and insurer relationship. Adopting a simple and transparent approach based upon communication, our aim is to provide exemplary service through direct contact with an allocated claims handler. Our experienced and dedicated specialist claims team enables us to continually provide a fair and consistent approach.
