

Purchasing Reliable Equipment From Europe

1

"I need a new tractor."

2

You contact us to discuss your needs and challenges.

3

Based on your needs, we source & provide you with options and our professional recommendation.

4

You choose the option that best fits your budget and needs.

6

Our technical team carries out extensive mechanical tests and rectifies any issues found.

5

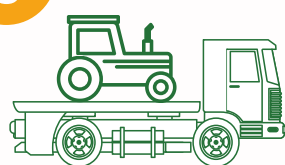

You confirm the order by signing the purchase agreement and paying the agreed deposit.

7

We arrange and confirm shipping. We will update you at every stage of the process.

8

We deliver the equipment to your doorstep.

✓

You pay the outstanding balance, and we transfer the equipment ownership.
