

A240

ROBUSTNESS REDEFINED

A240

THE PERFECT BLEND AFFORDABLE, ROBUSTNESS & VERSATILITY

The A240 tractor is the perfect blend of affordable, robustness and versatility. This tractor offers unparalleled performance yet compact enough to manoeuvre around those tight spaces without damaging your valuable crops.

This highly efficient workhorse will raise your productivity to the next level while providing the perfect solutions for your many tasks.

The versatility of this tractor makes it feel at home in the tobacco fields, at a dairy farm or around an orchard, performing all the tasks required for a successful harvest. This unit will become an indispensable part of your operations for years to come.

The A240 tractor comes with a one year Manufacturer's Warranty in addition to the Equip Afrique After-Sale support services which we provide through our service partners.

Our After-Sales support services include spare and service parts, regular maintenance and 24/7 breakdown support. Please visit our website for more information on our warranty and support services.

Ideal use include:

- Agriculture
- Tobacco Farming
- Dairy Farming
- Livestock
- Hay
- Vineyard / Orchard
- Horticulture
- Speciality / Hobby Farming
- Ground Maintenance
- Municipal Activities

A240

KEY FEATURES & BENEFITS

1. COMPACT

This tractor's compactness allows you to nip around tight end rows without damaging

2. POWERFUL & EFFICIENT ENGINE

Fitted with a Perkins three-cylinder direct injection diesel engine. This tractor is fuel-efficient, powerful and economical.

3. COMFORT SEAT

The adjustable, cushioned, and a spring suspension seat provides you with great comfort for those long hours.

4. UNRIVALLED QUALITY

We believe quality should never be compromised. Therefore every A240 is built to the highest quality standard to ensure unparalleled robustness.

5. ROBUST & SIMPLE TRANSMISSION

Fitted with an 8x forward, 2x reverse transmission and a 12inch dual-clutch. This transmission is robust, simple and easy to operate.

6. ANTI-ROLL BAR with CANOPY

Standard fitted with a foldable anti-roll bar (ROPS) and a matching canopy for improved safety and access in confined spaces.

7. LARGE FUEL CAPACITY

Equipped with a 47.5-litre fuel tank. This adaptable and all-rounder tractor can carry out your desired work all day long.

8. BETTER RIDE COMFORT

The A240 has a rear spring suspension system, which provided a better ride comfort whether you are transporting or ploughing the field.

9. WELL POSITIONED CONTROLS

Ergonomically designed main controls positioned to make this tractor easy to operate.

10. PTO & 3-POINT HITCH

This tractor has a rear PTO and a 3 point hitch system with a 1450 kg lifting capacity. Which allows you to connect a wide range of attachments.

11. PROVEN HYDRAULIC LIFT SYSTEM

The hydraulic lift system is driven by a reciprocating pump which provides many functions including draft and positioning control at constant pressure. The A240 is well proven for load work, giving you better performance with every task.

A240 SPECIFICATIONS

MODEL	EQUIP A240
Engine	Perkins 2.5 litre 3-cylinder diesel engine (SP 110830)
Gross Horsepower	46hp @ 2000rpm
PTO Power	41hp
Fuel Capacity	47.7 litres
Coolant Capacity	9.8 litres
Alternator	31 amps
Air Cleaner	Dual Dry Element
Transmission	SC13B TAFE
Type	Sliding Gears
Chassis	4x2 2WD
Gears	8 Forward x 2 Reverse
Power Take-Off	Live (Two Stage Clutch)
Rear RPM	540 @ 1789
