

Pine Creek Conservation District

Announcement and Position Description

District Manager

The mission of the Pine Creek Conservation District is to work in cooperation with private landowners and other local, state, and federal agencies to voluntarily protect, enhance and restore natural resources in the Pine Creek Conservation District. This mission will be accomplished with information/education, technical and financial assistance, and assessment of local natural resource conditions and concerns. The District will foster community involvement in natural resource issues and cooperation between private landowners, government agencies, nonprofit organizations and private business.

The District Manager is responsible for overall management of the Conservation District, supervision of district employees and satisfaction of district clients. The District Manager provides administrative leadership to assist the Board of Supervisors with the coordination, management and administration of conservation programs throughout the Pine Creek Conservation District. The District Manager ensures that all District functions are managed, and services provided in accordance with applicable local, state and federal laws, regulations and policies.

The measure of success is the proactive delivery of services to private landowners and the general public in a professional, efficient and productive manner leading to the conservation of local natural resources consistent with the mission and goals of the District. The successful candidate must be able to work productively with a diverse community of clients, community organizations and government agencies. The position reports directly to the Board of Supervisors.
