

DASCO ENGINEERING CORP. TERMS AND CONDITIONS OF PURCHASE

ACKNOWLEDGEMENT

Seller shall acknowledge the order advising when shipment will be made. Any change in shipping date, or scope of work listed herein requires a confirmation by the Buyer in writing.

PACKING

All articles shall be suitably packed or otherwise prepared for shipment, so as to secure the lowest transportation and insurance rates, and to meet carriers' requirement.

INVOICES

Mail invoices at time of shipping. Cash discount periods begin at date of receipt of invoices. Freight and other charges must be shown if discount is not to be taken on full amount of invoice. Seller must show method of transportation, and whether the articles are sent prepaid or collect.

CHARGES

No charges shall be made for cartons, wrapping, packing, boxing, crating, drayage or other cost unless authority for such charge is expressly incorporated in the P.O.

DISCOUNT PAYMENTS

By paying your invoice before arrival or complete inspection of the material at our plant, we avail ourselves of the cash discount only and hold your account subject to adjustment for any shortage in quantity, failure to make specified delivery or rejection for any reason.

CANCELLATION

The Buyer reserves the right to cancel this P.O. or any part thereof if delivery is not made as specified. Furthermore, such cancellation shall incur no liability on the part of the Buyer.

INSPECTION AND REJECTION

All articles or materials ordered will be subject to final inspection and approval by either the Buyer's inspectors or the government's inspectors or both. Such inspection shall be made within a reasonable time after delivery. The buyer may return any rejected articles to the Seller for full credit or reimbursement at the Seller's expense.

CONFIDENTIAL

The Seller shall not, without first obtaining the written consent of the Buyer, in any manner advertise or publish the fact that the Seller has furnished or has contracted to furnish the Buyer, the articles herein mentioned. The Seller shall not disclose any of the details connected with this order to any third party except for the purpose of ordering materials necessary to the fulfillment of this order.

THIS CONTRACT

This contract may not be assigned by the Seller without the Buyer's written consent. All work performed against this P.O. must be performed at the facility listed, and by the listed facility's employees. All work to be performed by a sub-tier of the facility listed must be approved by the Buyer in writing prior to the work being performed. If a sub-tier is approved by the Buyer, the facility listed must flow down all quality requirements to the approved sub-tier as listed herein. All aircraft related work and or materials against this P.O. must be

in accordance with one or more of the following quality requirements: AS9100, AS9120, ISO 9001, or NADCAP certification. All non destructive testing (NDT) listed herein must be performed by a level 2 inspection technician or greater. All heat treating services listed herein must be performed by an accredited technician.

INSOLVENCY AND CANCELLATION

In the event of any suspension of payment or the institution of any proceedings by or against either party, voluntary or involuntary, in bankruptcy or insolvency, or under the provision of Section 77B of the United States Bankruptcy Act, or for the appointment of a receiver or trustee or an assignee for the benefit of creditors, of the property of either party, or in the event of the breach of any of the terms hereof including the warranties of the Seller, the other party shall be entitled to cancel this contract forthwith.

SPECIAL EQUIPMENT

Special dies, tools, patterns and drawings used in the manufacture of the articles contracted for herein, shall be the property of the Buyer. They shall be kept in good condition and from time to time replaced by the Seller without expense to the Buyer, except that the actual cost of changes due to the Buyer's change or design or specifications shall be paid for by the Buyer, if such changes are made prior to the exhaustion of the useful life of the dies, tools or patterns changed. No dies, tools, patterns or drawings supplied to the Seller or used in the manufacture of articles contracted for herein shall be used in the production, manufacture or design of any other articles, nor for the manufacture or production of larger quantities, than specified, except with the express consent in writing of the buyer, at the termination of this contract they shall be deposited of as Buyer direct.

PATENT PROTECTION

By accepting this order, Seller agrees to indemnify and hold harmless and protect the Buyer, its successors, assigns, customers and the users of its products, from and against all loss, liability, claims, demands and suits, at law or equity, for actual or alleged infringement of any Letter Patent, Trade Marks, or corresponding rights granted by the United States of America, or any of the states, by reason of the use or sale of articles hereby ordered. If any of the articles ordered are protected by one or more patents, and a degree of be entered in a court of competent jurisdiction holding any such patent or any of its claims invalid, or so limited in scope as to impair its protection commercially, this contract my forthwith be cancelled by the Buyer.

WARRANTIES

The Seller warrants that the articles to be supplied under this contract are fit and sufficient for the purposes intended; that they are merchantable, of good quality, and free from defects, whether patent or latent, in material and workmanship, and that material or equipment for aircraft construction conforms to the specifications (see below), and all specifications of Buyer applicable to said articles. Seller agrees at its own expense, and whenever and as often as requested by the Buyer so to do to furnish and deliver to Buyer evidence in form and substance satisfactory to the Buyer showing that each and all of said specifications have been fully and completely conforms to such specifications. The Seller warrants that it has good title to the articles to be supplied and that they are free and clear from all liens or encumbrances.
