HONEY SPIRIT	750 ML	\$47.00	\$35.25	\$211.50	Floral, White American Oak, Honey: We took some mead. Distilled it like whiskey. Aged it like whiskey. And it turned out complex like whiskey, but smooth like a queen bee. Enjoy notes of floral honey with a refined oak backbone.
HIGH MOUNTAIN VODKA	750 ML	\$30.00	\$22.50	\$135.00	Mountain Water, With a Kick: Refreshing mountain water and high altitude rectification make this an exceptionally pure spirit. Unlike most of us.
ROCKY MOUNTAIN GIN	750 ML	\$35.00	\$24.50	\$157.50	Floral, Sweet, Liquid Gold: Botanicals native to our local mountain wilderness and gritty determination make up this unique yet distinctly American spirit. Floral notes offer a sweet and complex taste, unlike the swill your grandmother drank.
HIGH & DRY GIN	750 ML	\$35.00	\$24.50	\$157.50	Dry: For those that like your gin like you like your humor, this one is classically dry. And most definitely high. We distill Gold Dirt High & Dry Gin at 8500' in the historic Gold Dirt Mining area of the Colorado Rocky Mountains. Botanicals native to our local mountain wilderness enhance a London Dry foundation. Intriguing in a martini. Compelling in an Aviation. Rich.
LAVENDER GIN	750 ML	\$40.00	\$30.00	\$189.00	Effervescent, Floral, Amethyst: Because we just can't leave anything alone we decided to infuse an irresponsible amount of lavender into our perfectly good High & Dry Gin. It's floral and dry just like your grandma. It is also blue which appeals to fun people everywhere.
