Private Speaker Coaching

Why invest in speaker coaching?

The initial part of public speaking is all about you. You have an event coming up, it's high stakes and you have specific outcomes you want to achieve. You want assistance that's focused only on you and your needs. It's urgent and you need it now because:

- You want to take your speaking to the next level, you want to be world class
- You want to see results from the time you invest in speaking at events and conferences
- You're getting paid to speak and you want outstanding results that lead to more speaking opportunities
- You want to represent your industry in the best way and you want your content to inspire and your delivery to engage

How can I help you?

Michael works with you on your:

- Script development, storyline creation, slide deck creation,
- dynamic delivery, stage tech and stage presence
- Ability to speak in a memorable way (this is the hardest for most people)
- And most important, your ability to engage and influence your audience

He also helps you:

- Find the core message you are wanting to share, bring a concept to market, grow your capability, gain your competitive edge and take your ideas to the world
- And in general, how to look comfortable, confident and relaxed, and, how to speak in a clear and understandable manner

No other coach offers Michael's credentials, experience, and singleness of purpose.

Michael's powerful obsession with adult teaching and learning stemmed from engaging with master trainer, Dr. Rich Allen, in New Zealand, Australia, Canada and America.

Dr. Rich Allen's work is rooted in brain-based learning, specifically how the brain receives, processes, stores, and recalls information. In addition, Michael trained and obtained his practitioners in Neuro-linguistic Programming (NLP) with New Zealand's leading authority in NLP Dr. Richard Bolstad (NLP is the study of excellence in influence, performance and persuasion).

Michael has over 20 years experience in training and development that includes 5 years of providing subject matter expertise on how to effectively coach adult learners. Michael successfully redeveloped and retrained New Zealand Police and New Zealand Fire Service to integrate and deliver a high performance coaching programme aligned and certified to NZQA standards throughout New Zealand.

Michael spent 6 years training and coaching speakers for Full On New Zealand and Australia, and has recently concluded 4 years as the TEDxChristchurch Speaker Coach including working with the curation and speaker selection committee.

For 2 years, Michael volunteered as a ski coach for Special Olympics New Zealand, helping athletes with disabilities prepare for the International Special Olympic Games and was a floor hockey coach for ParaFed Canterbury.

Michael innately understands people, he knows how to quickly put people at ease and still push them beyond what's comfortable, his life has been dedicated to helping people achieve outstanding results.

Private Speaker Coaching

If you're here then you've most likely been offered an amazing opportunity to speak but you're struggling. Maybe you're overwhelmed and you don't know where to start? I imagine you might feel stuck.

Chances are you don't have anyone in a position capable of giving you real developmental feedback. This can be frustrating, but you're not alone, most of my clients have come to me in a similar position.

For many of them it's either been procrastination, they don't know how, or where to start, or it's been overwhelming difficult for them to refine their thoughts into the timeframe they've been given.

If any of this sounds familiar then you need to sit down with me and create a game plan. I'll take your rough drafts and help you turn them into a world-class talk that inspires people to take action.

I can help coach you for any speaking engagement such as:

- TED Talk
- Conference
- Keynote
- Public Speaking
- Pitch Investment
- Presentation
- Sales Pitch Presentation
