

THE HINDU

Indian Administrative Fellowship launched

STAFF REPORTER
BENGALURU

With an aim to augment the capacity of senior civil servants amid COVID-19, The/Nudge Foundation has announced the Indian

Administrative Fellowship.

According to a release by the foundation, the selected fellows will be paired with senior civil servants, of secretary and above rank, for 18 months to design and imple-

ment programmes in health, skill development and entrepreneurship, rural development, education, regional development boards, among others. For details, visit <https://iaf.thenudge.org/>
