

The Catholic Chaplaincy at Queen's University

a community of faith and friendship at the heart of campus

7th January 2020

In light of the NI Executive's announcement of heightened restrictions to combat the increase in transmission of COVID-19, Chaplaincy has taken the decision to temporarily close its facilities on campus. This decision will be reviewed in early February. During this period, liturgies, faith supports and pastoral services will move online.

Our Chaplain, Fr Dominic McGrattan, together with Pastoral Manager, Shannon Campbell, remain available to support students and staff. We will soon launch an exciting, jam-packed programme of events for the new semester which will run online, and on campus when circumstances permit.

We encourage the university community to continue to support one another, especially the most vulnerable among us. Chaplaincy holds in love and prayer all those affected by the pandemic.
