Hi <insert new member's name>!

Welcome to Black@Chezie! We're so excited that you've chosen to join our ERG. This is your official welcome email.

A bit about us: the purpose of the Black@Chezie ERG is to create a safe space for Black employees, raise awareness of societal issues faced by the Black community, and support Chezie business initiatives. Although Black@Chezie is an employee-led group, we work with all parts of our company to achieve our goals and help our company succeed.

For more information about our group, our goals, and our leadership team, check out our ERG profile on [Chezie](#) and interact with us in our Slack [channel](#)!

You've been added to our distribution list, which means that you'll get invites to all of our events and programs. Can't wait to have you join!

In the meantime, please reach out to Shawn Carter at shawncarter@chezie.co with any questions.

Thanks!

Black@Chezie team
