Services

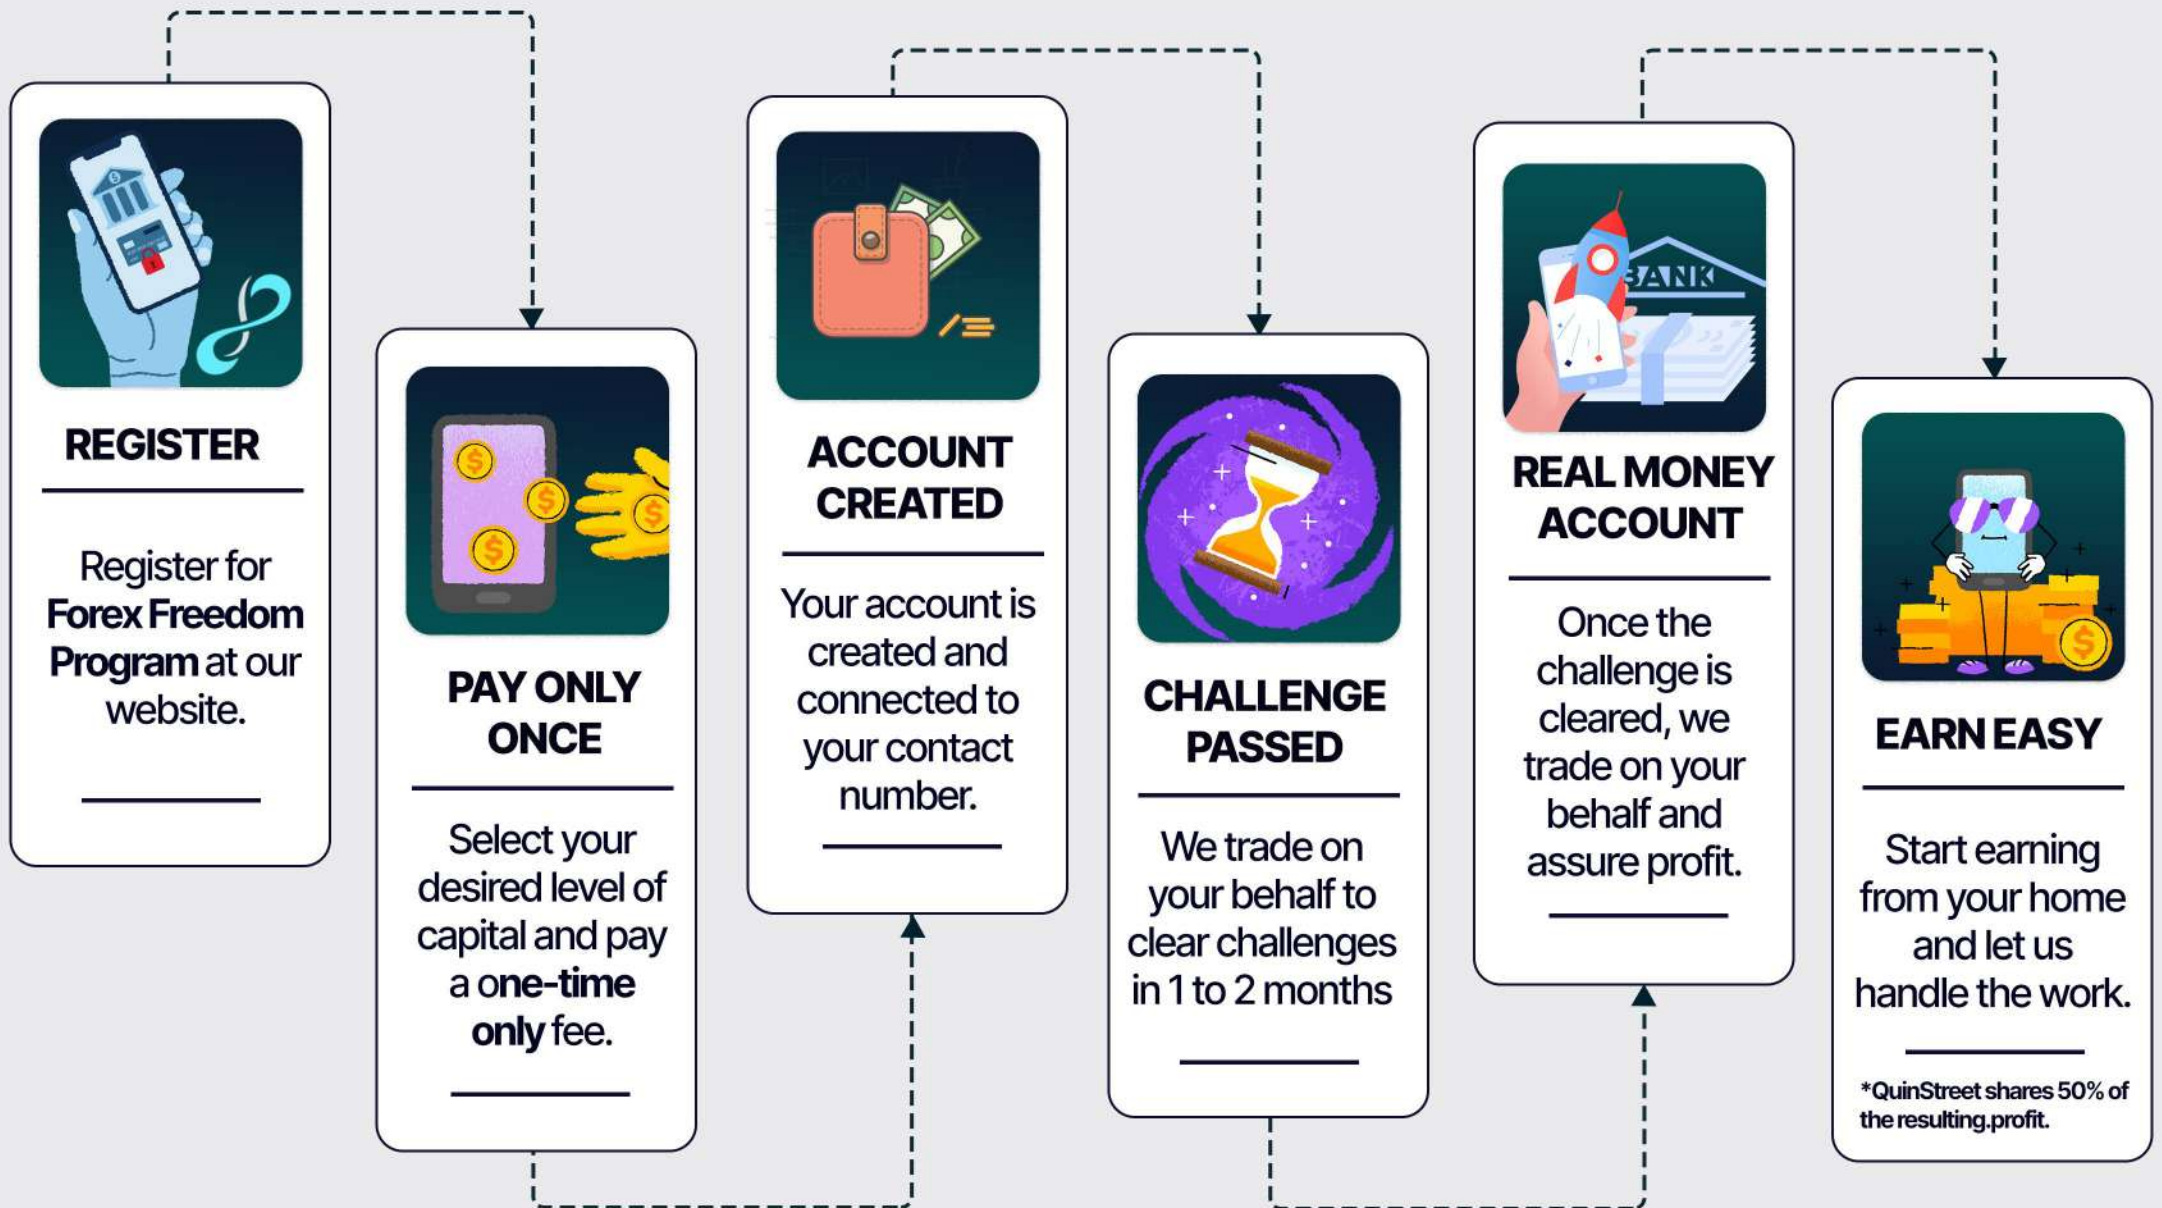

Forex Freedom Program **1**

This is pure hands free income where we help you access capital from \$25,000. to \$200,000. For a one time fee, you get profit share for a full 12 months.

1. Clients register for a Forex Freedom Account, and pay a one-time fee .
2. We sign capital agreement in your name, as a proof of your knowledge of trading and trade on your behalf on your challenge account.
3. Once the challenge is cleared, we obtain a real live account for you.
4. Trading on your behalf, we make profit for you on your account and you start earning.

HOW DOES IT WORK? FOREX FREEDOM PROGRAM

Account Management

2

The First 100% AI decision support Forex managed account. We take over clients accounts and manage it for them.

1. Client open and fund an account with our partner broker.
2. We connect our master account to the client's account, all the trades on our Master account are then copied directly into the clients account.

This is a hands free income rolling in monthly to the client, without having to raise a finger. All trades are done by us, while the client enjoy their profits.

*You will be required to pay us a 30% of the profits made on your account at the end of each month. You only pay when we make profit on your account!
