Rooms

Our inn has eleven rooms, each uniquely designed with a beautiful aesthetic and comfortable, curated style. The rooms range from two twins to Queen and King sized beds. All rooms come with a private bathroom and air conditioning. Rooms vary in size and ceiling height.

The inn comfortably sleeps 24 guests. Wake up to enjoy fresh brewed coffee, farm fresh eggs, fruit, yogurt and other seasonal accoutrements.

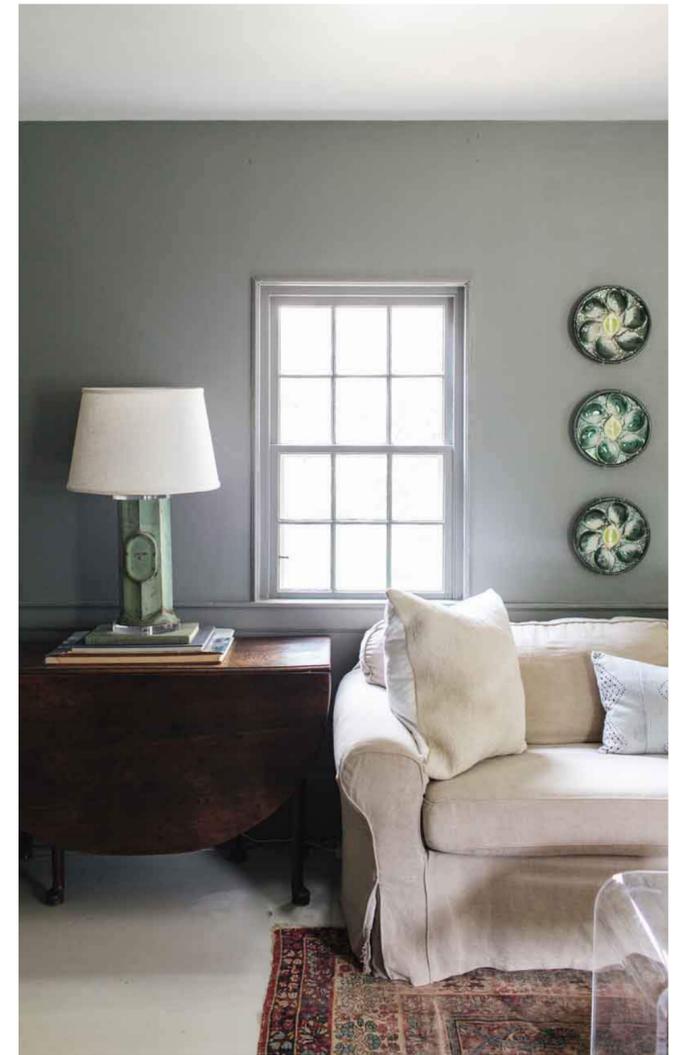

Communal Spaces

We have several spacious common areas in the inn for sipping coffee, reading a book, writing your vows or enjoying a glass of wine.

There are three living rooms, an indoor dining room, private dining nook and two porches facing the trees and gardens on the back of the property.

The Barn

Our historic 1820's barn has been recently renovated to create a beautiful raw space that can be transformed into your specific vision.

We have added a spacious deck across the back of the barn, opening it to an elevated overlook of our lush cascading grounds, as well as a cozy loft space that looks down over the main floor of the barn. The barn and deck can accommodate 125 people for dinner and dancing. Add music for ambience with a band or DJ.

Tarbox Residents

Our resident goats and free range chickens receive a lot of love. Ellie and Abbie, our twin sister goats, Blaze Butler and brother/sister twins Bean and Beaumont love attention...and treats! Our chickens happily roam the property plus provide your farm fresh breakfast.

The Property

Our 12-acre property offers a beautiful and peaceful retreat featuring lush landscaping, with paths leading to the pond and beyond, through the woods to the salt marsh. Hiking trails through the local nature preserves are also easily accessible.

Ceremony

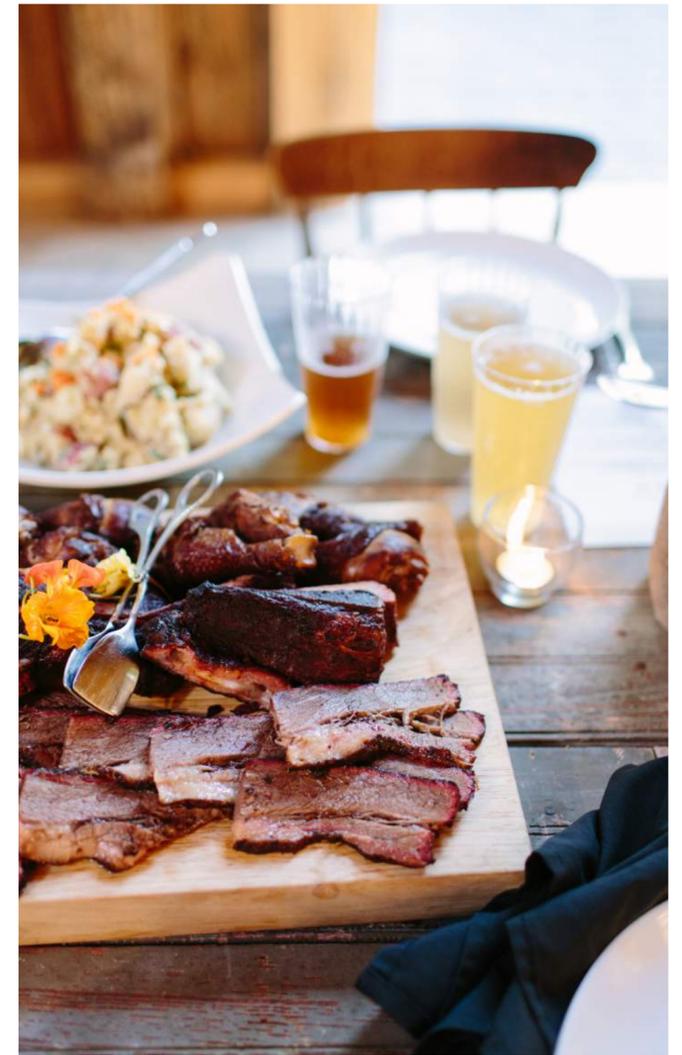

Our heritage weeping willow, native trees, charming pond and seasonal blossoms create a stunning natural setting for your ceremony.

Enjoy nature at any time of the season. Bench seating is available for the ceremony and the back lawn is lovely for an outdoor reception.

Rehearsal Dinner

Book a private chef and delight in a farm-to-table dinner with seasonal, locally grown food. Enjoy in the barn or in our dining room and screened porch.

Activities

Take a hike at a nature preserve, kayak on the Sheepscot River, shuck your own oysters, hit up a local brewery or stay at the inn for some goat cuddles.

Experience the best food, breweries, distilleries, islands, and adventures Maine has to offer!
