What to expect

SCENIC PROJECTIONS

We're the official provider of digital scenery for Theatrical Rights Worldwide.

Making the switch from traditional scenery in your next production is worry-free, and guaranteed to save you money when compared to a built set or a cloth backdrop rental.

STICKS TO THE SCRIPT

We're the only company whose packages include **all the scenes and settings** from the official script, guaranteed.

SAVES YOU TIME

With free playback software, instant rehearsal materials and rigorously-tested performance scenery, you're ready to go.

SAVES YOU MONEY

Our packages are proven to cost less than the average cost of raw materials for a built set, so you can invest your budget where it matters

SIMPLE. BEAUTIFUL.

It's the perfect marriage of form and function: beautiful imagery combined with an intuitive software that's designed to "just work".

WORKS ANYWHERE

Got no fly space? No worries. From classrooms to cafeterias: our projections help you make amazing theatre, anywhere.

HASSLE-FREE A/V

Imagine a rental and installation process that *isn't* a headache. That's right: Clear products, clear pricing, clear instructions.

SATURDAY NIGHT FEVER

ABOUT THE SHOW

Capturing the historic flavor of disco-mania in New York City, this energetic musical is based on Nik Cohn's 1975 New York Magazine article "Tribal Rites of the New Saturday Night" and Norman Wexler's 1977 film. Intricately told through the style of a 1970s Brooklyn silhouette, our digital scenic design for "Saturday Night Live" can be used as a back-drop replacement or a complete set. Our projections transport the audience to Brooklyn, New York with stunning, historic compositions of the Bay Ridge neighborhood where Tony is crowned king of the dance floor.

Make your stage come alive.

Making the switch from costly traditional scenery in your next production is worry-free – and guaranteed to save you money.

Animated digital scenery is changing the way we make theatre. Designed to reduce blackouts, save stage space, and money – there's never been a better time to take advantage of the amazing technical developments in projection.

Broadway Media's Scenic Projections stand above the competition in quality and ease of use. Our digital theatrical backdrop packages for popular plays and musicals are true to the script and pre-cued in our intuitive projection software so you can simply plug in and perform.

Directors and educators are choosing Broadway Media's Scenic Projections for their theatrical digital scenery to spend less time and money on building sets (or hanging those dusty old backdrops), and more time on what matters: creating amazing theatre.

What you get with Scenic Projections

PRE-PRODUCTION MATERIALS

Download and begin working with watermarked materials available in advance of your performance dates to provide ample time for coordination and rehearsal.

CINEMATIC MOVEMENT

Special effects like changes in light, weather, ambiance and amazing scene changes make for an engaging, interactive production that requires no blackouts!

INTUITIVE SOFTWARE

StagePlayer, an intuitive, cross-platform Mac, PC and iPad app, that includes easy edit and customization tools, play/pause, live edit and immediate blackout.

TOOLS FOR SUCCESS

Take advantage of script-accurate cue sheets, projector and screen rentals, and training videos to get you setup and running quickly for a reliable production.
