Experience

Audio Engineer/Producer

Design in Transition | Summer 2020 - Present

Coordinated with PhD students at Carnegie Mellon

University to edit, master and produce all episodes of

Design in Transition Podcast. Managed social media and

marketing for wider outreach.

Design Consultant

Top Makers | Summer 2019

Provided consultation and presented designs for a new

website and new branding for an online retail store

specializing in hand-crafted items.

3D Lab Monitor

Carnegie Mellon University | Fall 2019 - Spring 2020

Monitored and aided design students in projects requiring

advanced digital tools for rapid prototyping (laser cutter &

3D printers) in a safe and efficient manner.

Teaching Assistant

R.O.K. Armed Forces Financial Management Corps |

August 2017 - January 2018

Collaborated with officers and NCOs across different forces

and to arrange English classes for conscripts provided

by the U.S.F.K.. Put in charge of leading discussions,

managing student participation, and collecting feedback to

be reported to the platoon commander.

Translator

R.O.K. Armed Forces Financial Management Corps |

July 2016 - April 2018

Served as a translator and squadron commander.

Translation work included construction contracts regarding

the relocation of the U.S.F.K., and legal travel documents of

the commander general.

Carnegie Mellon University

Bachelor of Design, Product Design

Minor in Game Design

GPA: 3.82
