

# Community Allyship

## Gender Equality Training For Men\*

\*Male-identifying & male passing

### DONATE-WHAT-YOU-LIKE TRAINING TO BECOME A COMMUNITY ALLY

Are you:

- Interested in exploring masculinities?
- Wanting to be a better advocate for gender equality?
- Tired of the bad rep that men get and want to do something about it?

If so, train to become a Beyond Equality Community Ally!

Beyond Equality is a charity that works with boys & men towards gender equality, inclusive communities, and healthier relationships.

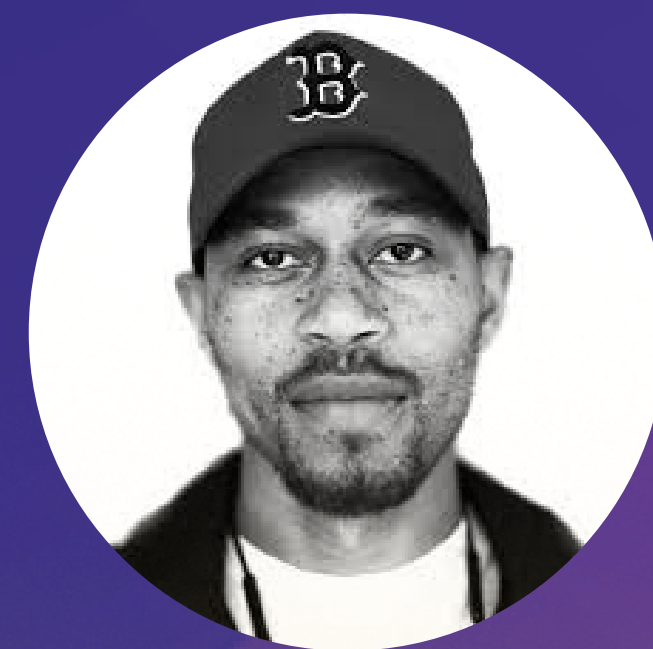

Our Community Allies are a group of self reflective, curious & open minded friends who have taken part in our one day 'Exploring Masculinities' training. They take the learning into their own lives, and have access to our ongoing community events and trainings. We encourage them to make an impact in their own circles and help us with fundraising events. Our Community Allies can also train up to be workshop volunteers if they wish.

"It's been a privilege to learn from this community of kind and passionate people"

### Sharan Jaswal

- Experienced educator, facilitator & changemaker
- Passionate about social justice, wellbeing & creative facilitation
- RSA & Clore Social Leadership Fellow
- Co-founder The People Protest
