## QUALITY OF PASS

He is accurate to pass, which allows him to generate play on different zones of the pitch. He makes one-touch passes to break lines. He makes the game dynamic both when building up from the back and in attacking phase.

## MOVEMENTS OFF THE BALL

He understands where to move when being off the ball. He knows how to place himself in between the lines to receive far away from his marker. He is able to show up either centralized or on the flank, depending on the action.

## DEFENSIVE DUELS

He covers big spaces in defense, which makes him to frequently deal with 1v1 defensive duels. He is aggressive in ground challenges, but always looking for retaining the ball after recover it.

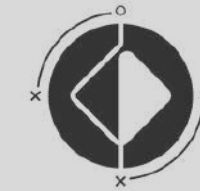

## WEAK FOOT

He uses his weak foot well. He stands out as an ambidextrous player. He is capable of controlling, passing, driving and build-up from the back with his two foot. He gets rid of difficulties easily.
