FINISHING

This is his main skill. He frequently creates goal-scoring chances, which makes him a natural scorer. He has ability to score from many situations. He can score on a 1v1 chance, by a middle-range shoot, by header and in transitions into attack.

VISION OF PLAY

He has great awareness to read the play and make through balls for his teammates. Due to his movements out of the rival's defensive line zone, he gets well-positioned to receive it, turn around himself and put a teammate in play.

POSTING TECHNIQUE

He knows how to pass the ball short after a vertical delivery. He knows how to play one-two touches to avoid pressure on him and keep playing and looking for spaces. He has a good aerial play.
