

WE ARE HIRING

Senior C#.Net Developer

Full-time

Xyicon is a SaaS company in Sri Lanka with its roots in the US. Our product SpaceRunner is one of a kind and is used by clients from different industries, including healthcare, aerospace, retail, and logistics for various business requirements. We are currently expanding our operations in Sri Lanka and are on the lookout for talented and committed individuals to join our team. If you enjoy a challenge and love to flex your creative muscle to solve problems, we want to hear from you.

Key Roles and Responsibilities

- Write, and maintain scalable and performant code for a multi-service architecture
- Develop containerized applications for deployment using Docker
- Understand requirements and design solutions
- Analyze issues to find bottlenecks, bugs; develop and deploy fixes
- Collaborate, research, experiment, and contribute to the development team
- Learn and adopt new technologies to help improve the product
- Research and introduce suitable functionalities to the system
- Learn cloud-based hosting providers and services

Qualifications, Skills, and Experience

- A minimum of 4+ years experience working as a C#.NET developer is a must
- Must be well-versed in C# .NET and ASP.NET. Knowledge and experience in .NET Core will be an added advantage
- Must be familiar with T-SQL and SQL Server. The ability to write efficient SQL would be an added advantage
- Bachelor's degree from a recognized university
- Experience in handling builds, deployments of resources and applications.
- Experience in Azure related hosting and deploying technologies is ideal
- A keen eye for developing robust applications, understanding the why behind architectures, and writing clean, maintainable code that can be re-used
- Analytical skills and attention to detail
- Excellent command of the English language
- Write documents using clear and concise language
- Self-motivated and willing to learn new skills and technologies
- Ability to work with offshore stakeholders in the US, Europe, and Asia
- Excellent communication and time management skills
