

# ANDREW CALLANDER

UI/UX/Web Designer

7896 Lindsay Ln.  
Edmond, OK 73025  
(469) 774-8670  
acallander@me.com

## OBJECTIVE

I'm a team player, empathic user, and conceptual thinker. I have over 6+ years' experience in UI/UX/Web design. Everyone is unique and deserves to be taken care of. This is why I utilize empathy and real-world data to help deliver proper usability and user-interface designs.

## CORE SKILLSET

User Experience, User Empathy, Usability and Accesability, A/B Testing, UI Design, Mobile Design, Sketching, Wireframing, Low/High Fidelity Mocks, Design Systems, Interactive Design, User-centered Design, HTML/CSS, Webflow

## TOOLS

Figma, Sketch, Adobe XD, Adobe Photoshop, Affinity Designer, InVision, Zeplin, Abstract, Visual Studio Code, Slack, Zapier, Mac OS, Windows OS, iOS, Android, HotJar

## WORK HISTORY

Nov '19 - Present

### **UI/UX DESIGNER**

at **TETRA TECH**

Working with a team of designers, developers, and project owners during sprint sessions on Phase 1 of a project with the Federal Aviation Association.

May '19 - Present

### **FREELANCE UI/UX DESIGNER**

at **WUNDERMAN HEALTH GROUP**

Work with a team of designers, developrs, and project managers on designing and developing web landing pages and email marketing for Blue Cross Blue Shield.

Jun '19 - Present

### **FREELANCE UI DESIGNER**

at **BIGWING MEDIA GROUP**

Work with a team of front-end/back-end developers, SEO specialist and project manager for Dean McGee Eye Institute entire website redesign within the wordpress platform.

## WORK HISTORY CONTINUED

Jan '10 - Present

**FREELANCE DESIGNER**  
at **CALLANDER DESIGNS**

Work with companies such as Notary.io and their clients such as Ring Doorbell Partnership program website.

Oct '18 - Feb '19

**PRODUCT DESIGNER**  
at **LEGALSHIELD OFFICIAL**

Utilized Sketch, Abstract, and InVision to design components for the iOS/Android and Web-App for the customer service portal.

Kept a design system up-to-date, while adding essential components to streamline design and prototyping for the design/dev team.

Jan '18 - Aug '18

**UI/UX DESIGN INTERN**  
at **LIFE.CHURCH**

Utilized Sketch, InVision, and Zeplin for layouts and apps. Transitioned the team to Figma for a more "all-in-one", cheaper tool.

Mar '15 - Nov '17

**FRONT END WEB DESIGNER/DEVELOPER**  
at **PIPELINE ROI**

Utilized Brackets (HTML/CSS/JavaScript/JQuery - Custom code tool), Bootstrap (Framework - faster development and upkeep of code base), Zapier (to automate specific tasks such as typeform submission to Zendesk, Typeform (questionnaire for the customer to start the process), and Zendesk (keep track of who, what, why, where, and how the customer is in the process): all to create a system for the team and end-user of the product.

## EDUCATION

**American InterContinental University Online**  
**B.F.A - Web Design & Interactive Media**  
**Graduated 2015**
