Job Opportunity

Experienced Camper Conversion Technician

We have an opportunity for an enthusiastic and hardworking individual to join our Camper conversion team. We are a VW based converter located in Etchingham, East Sussex. We carry out full and part camper conversions, kombi conversions and other modifications.

We are looking for someone who has experience in some, if not all the following areas.

Specific Job Responsibilities:

- Poptop Roof fitting - various types
- Rock and Roll Bed fitting - various types
- Cutting and fitting Windows to vans
- Insulating and Carpeting
- Electrical Installations to include 12v, 240v and solar panel systems
- Heater Installations
- Assembly of camper van furniture and subsequent installation into a vehicle with necessary utilities etc.

The job offers a variety of tasks and opportunities to learn and improve your skill set.

General Job Responsibilities:

- Carry out any and all workshop tasks pursuant to the area of employment and remit of the specific job at hand.
- Liaise with customers either by telephone, email or in person to discuss project parameters, issues and time lines and any other specifics they wish to discuss.
- Maintain time sheets to monitor progress on jobs which will then form the basis of invoice creation.
- Maintain good time keeping practices to ensure prompt attendance and that jobs progress through the workshop on time.
- Maintain a photographic record of each job as it passes through the workshop to provide the customer with evidence of work carried out.
- Maintain a clean and tidy work area to ensure Health & Safety and efficiency of work and welfare of colleagues and visitors.

The role is a full-time permanent position.

Salary starts at £12/hr and increases based on performance.

Starting salaries can subject to discussion & experience.

Requirements:

The ideal applicant will have a practical mind and eye for detail and the ability to troubleshoot. They will be able to adapt to different tasks easily, use power tools effectively and safely and be able to work swiftly and accurately.

Minimum GCSE Level education including C grade in Maths and English

Full UK driver's license.

Own basic tool kit - metric sockets and spanners, cordless drivers/drills, disc cutter/ grinder, safety goggles and ear protection.

Other specific tools will be provided.

Experience in vehicle conversion is necessary.

One in four Saturday mornings on a rota with colleagues.

Job Types: Full-time, Permanent

Salary: From £12.00 per hour – experience dependent.
