Basics

Information designer
Adaptable instructor
Technologically proficient
Inquisitive researcher
Appalachian fellow, wife, kids

WHAT HAVE I DONE?

- Built school infrastructure (Paideia)
- Started apprenticeship program (Paideia)
- Developed digital learning (CAK)
- Inaugural debate program (PSTCC)
- Made motion/video promos (Freelance)
- Designed Identity Systems (Freelance)
- Developed technical communication course (New Horizons)

WHAT IS MY APPROACH?

I target undeveloped ideas and visions that have promise and give them practical form. My process starts by getting a sense of the issues at hand. I then move back and forth between listening and designing. Finally, I let that practice/product grow.
