PROFESSIONAL EXPERIENCE

UX/UI DESIGNER, GALWAY

AUG 2020 - PRESENT

FREELANCE UX/UI DESIGNER

Currently working as a Freelance Ux/UI Designer out of Ireland with clients from Israel, South Africa and Europe, as well as collaborating with the design team for UniCredit Bank in Bosnia and Herzegovina.

- **Client and team collaboration.** Working daily alongside clients, as well as collaborating with design and development teams using Scrum and Sprint methodologies, following the design from start to finish.

COLLEGE "LOGOS CENTAR", BOSNIA AND HERZEGOVINA

JAN 2017 - AUG 2020

ASSISTANT PROFESSOR PART-TIME

Gained a wide set of experience and skills by teaching Adobe Photoshop and Illustrator to College Students, that improved student understanding of the subjects. Implemented positive changes by adding Ux/UI subjects in the Design study group.

- **Added Ux/UI Subjects in the Design Studies.** Teaching Web and App Design, as well as programs like Figma and the use of prototyping software.
- **Placed in the position of Assistant to The Professor of Graphic and Interior Design.** Organised and delivered classes of groups of 15 students, 20 hours a week.

LOVE PRINT, CROATIA

MAY 2017 - MAY 2018

GRAPHIC DESIGNER – MID LEVEL

Worked for 1 year in a high-pace team environment and helped expand the company business by including custom birthday and wedding invitations. Gained greater knowledge of print, color and typography.

- **Helped expand the company business.** Personally implemented the service of custom designed birthday and wedding invitations, being named company employee of the year.
- **Designed and drew creative illustrations for children album and book covers.** Worked as the main creative illustrator, taking client ideas for album covers and transforming them into illustrations for print.

UX/UI DESIGNER AND CO-FOUNDER

Co-founded a startup "Chore Hunter" – a mobile application allowing users to find work, as well as helping in the neighbourhood. Worked in a team environment, gained knowledge in app design by working as the App Ux/UI Designer.

- **Created and tested fully functional Application Prototypes.** With the startup team, created and tested Ux/UI Prototypes on target audience and helped the team launch alfa and beta products.
- **Presented to business owners and investors.** Gained valuable experience in Presenting to high profile investors, where I've refined my Communication skills and helped bring new investments.
