

HOW DO I TRANSFER FUNDS FROM INDIA TO MY AELDRA ACCOUNT?

If you use Net-banking, please add a beneficiary by using the below Beneficiary details, and follow your bank's remittance platform guidelines to complete the transfer via **SWIFT (details below)**. Most Indian banks have an online / in-app A2 form that needs to be filled by the customer in real time to initiate the remittance. Please contact your Relationship Manger or the Forex desk of your bank branch where you hold an account for assistance in filling the below details. *Account Number Masked for security. To get the full Account Number for making a SWIFT transfer, customers need to call the Aeldra Concierge at +1-844-333-3101.
