## Winter Semester

### READING IN THE NEW YEAR

Winter is the perfect time to snuggle up with a good book! Book Club classes prepared students to write clear and interesting Book Reports, so we are putting them to the test! Each month students will receive a new book to read at home. The first two weeks of this semester, we reviewed book report writing skills while watching fun and festive short films. Then, we practiced example reports as a class. Book Reports are due the last day of the month!

Each report earns (or loses) you 50 stamps!

There's a 50-stamp bonus for completing all three!

### SOCIAL DISTANCING EVENTS

Get in the holiday spirit! Grab a cozy blanket, some hot chocolate and earn some extra stamps from home!

#### Holiday Movie Reviews

Send a photo of you watching one of these holiday films to @AMJ on Instagram for 50 stamps. Write a report about it and send it to AMJ's KakaoTalk for 250!

*Home Alone* ❄️ *Elf* ❄️ *The Santa Clause* ❄️ *Klaus*  
*Jingle All the Way* ❄️ *March of the Wooden Soldiers*  
*The Grinch* ❄️ *Rudolph the Red-Nosed Reindeer*  
*Arthur Christmas* ❄️ *Nightmare Before Christmas*

#### FreeRice Campaign Round 2

Using the UN World Food Program's website, you can help donate rice to people in need around the world. Make an account and earn stamps for your rice!

1,000 grains = 100 stamps

5,000 = 250 stamps

10,000 = 500 stamps

### AO!MJ, AGAIN

As Korea's COVID-19 cases have begun to rise once again, so AMJ will begin online classes early December. We will likely be online until after Christmas Break. We wish you all health, happiness and lots of fun from home!

### CRASH COURSE: YELLOW AND RED

From **December 8th**, we will start our kindergarten CC classes. Crash Course classes help incoming students adjust to AMJ's program without overwhelming them as they also transition into elementary school. These classes will focus more on building *classroom behaviors*, *study habits* and *comprehension skills* in **Link** and **Grammar**. CC students will practice these skills and get ready to join our full courses in the Spring!

### LOVE. ALEX TEACHER

Hello, students of mine!

As this trying year is drawing to a close, I want to send you all the best holiday wishes. It's been a pleasure having all of you in my classes and seeing everyone grow in so many ways. Let's take this time to reflect on the type of person we want to grow into and do our best next year to get there.

Ask Santa for great gifts and have a happy holiday!

### LOVE. BRITTANY TEACHER

Hi, friends! As we draw closer to the end of the year, it is a time to look back and think about all the things we've achieved! To all my students whom I've taught this year, thank you for being so excellent. You've all made fantastic achievements. Don't worry, I will tell Santa that you always did your homework and remembered your pencil case. (If you didn't always remember, I'll promise him you will next year!) Merry Christmas from your favorite teacher!

### LOVE. ERICA TEACHER

You've all grown so much in terms of your vocabulary, speaking, reading and writing skills. However, I'm so proud to see you all grow in your efforts, your confidence and your love of learning! I hope your holiday season is full of happiness and joy. To my new students, I can't wait to get to know you all better in 2021! Stay healthy and happy!  
Merry Christmas, and Happy New Year!
