BLUE SMOKE

BARBECUE

Blue Smoke is byproduct of clean-burning wood at just the right temperature. Skillfully manage wood burning literally cooks care and passion for flavor into the food. Amazing barbecue takes hours of investment to ensure that the meat is tender, delicious, and fall off the bone moist. Its a task best left to the experts with experience.

EVENT PLANNERS

Weddings, Work Events, Festivals and Food Trucks.

FAMILY EVENTS

At least everyone can agree the food was great! Word of Mouth.

COMPETITION

There can only be one! When we play, we play to win.

BLUE SMOKE

BARBECUE OBSESSED · SKILLFULLY CRAFTED

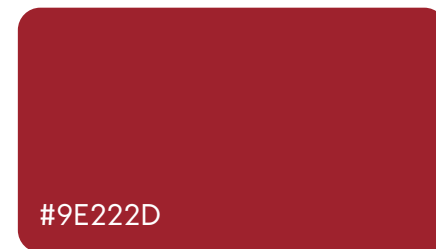

Sustaining the perfect grilling temperature for barbecue takes an experienced grill master. Patrick Atkins is obsessed with creating the most delicious barbecue with a unique flavor and high-quality meats. It takes on average 10 - 12 painstaking hours to create the perfect juicy, tender, and flavorful brisket. At Blue Smoke, they love every second.
