

The image shows the word "NGINX" in large, white, sans-serif capital letters. The letter 'O' is replaced by a red circle containing a black silhouette of a submarine. The background is a dark space scene with a grid of white lines on the ground, a bright sun or moon in the distance, and a small satellite or probe in the upper right. A hamburger menu icon is visible in the top right corner.

DELANEY WEST

★★★★

A pleasure to work with, the man patient with me and this being my first time using this system. Whatever notes I had for him, they were applied. A pleasure you will work with him again and again.
