

Green Groups Fund

The Green Groups Fund is being piloted by the Nottingham Green Guardians volunteer programme. It is a low level funding pot for groups involved with 'green' voluntary activities on Nottingham's parks and open spaces eg Friends of groups, Tenants and Residents Associations. The fund aims to make voluntary activity easier by funding items that volunteers use regularly during group activities eg refreshments, tools, gloves. Groups can apply for funding from £20 to a maximum of £100.

If you wish to apply please complete the short form below and return to parks.volunteering@nottinghamcity.gov.uk or by post to Nottingham Green Guardians, Woodthorpe Grange, Woodthorpe Drive, Woodthorpe, Nottingham, NG5 4HA by Friday 16th April 2021. The applications will be assessed by a panel of people who work with or represent groups who volunteer in green space.

If you have any queries please contact Fliss Hogg on 0115 9152733 or email parks.volunteering@nottinghamcity.gov.uk.
