

PRIVACY POLICY

This privacy policy ("**Policy**") describes how the personally identifiable information ("**Personal Information**") you may provide in the "**Doppl Sensor Install**" mobile application ("**Mobile Application**" or "**Service**") and any of its related products and services (collectively, "**Services**") is collected, protected and used. It also describes the choices available to you regarding our use of your Personal Information and how you can access and update this information. This Policy is a legally binding agreement between you ("**User**", "**you**" or "**your**") and this Mobile Application developer ("**Operator**", "**we**", "**us**" or "**our**"). By accessing and using the Mobile Application and Services, you acknowledge that you have read, understood, and agree to be bound by the terms of this Policy. This Policy does not apply to the practices of companies that we do not own or control, or to individuals that we do not employ or manage.

Mobile Application and Account

The Mobile Application is a tool, that was developed to register the Doppl Aware Equipment Monitoring sensor.

The User can not create an account. We create an account for you if you are one of our customers.

Automatic collection of information

When you use the Mobile Application, our servers automatically record information that your device sends. This data may include information such as your device's IP address and location, device name and version, operating system type and version, language preferences, the information you search for in the Mobile Application, access times and dates, and other statistics.

This information is used only to identify potential cases of abuse and establish statistical information regarding the use of the Mobile Application and Services. This statistical information is not otherwise aggregated in such a way that would identify any particular user of the system.

Collection of personal information

You can access and use the Mobile Application and Services only if you are one of our customers and we created an account for you. We collect information on who you are, your name, organization, email address, location. We receive and store any information you knowingly provide to us when we create an account for you, publish content, or fill any online forms in the Mobile Application. In order to use the Mobile Application you must grant permission for the Mobile Application to access personal information, including current location. You also must grant access to Bluetooth and NFC. When required, this information may include the following:

- Personal details such as name, your organization, etc.
- Contact information such as email address, etc.
- Account details such as user name, unique user ID, password, etc.
- Geolocation data such as latitude, longitude. We may request access or permission to and track location-based information from your mobile device, either continuously or while you are using our Mobile Application, to provide certain location-based services.
- NFC access to interact with a Doppl Aware Equipment Monitoring sensor.
- Bluetooth access to scan all Bluetooth devices and connect with a right Doppl Aware Equipment Monitoring sensor.
- Any other materials you willingly submit to us such as articles, images, feedback, etc.

- Any service-related information for analytical purposes.

Some of the information we collect is directly from you via the Mobile Application and Services. You can choose not to provide us with your Personal Information, but in that case, we can't create/support an account for you and you may not be able to take advantage of the features in the Mobile Application. Users who are uncertain about what information is mandatory are welcome to contact us.

Use and processing of collected information

In order to make the Mobile Application and Services available to you, or to meet a legal obligation, we may need to collect and use certain Personal Information. If you do not provide the information that we request, we may not be able to provide you with the requested products or services. Any of the information we collect from you may be used for the following purposes:

- Create and manage user accounts
- Send administrative information
- Respond to inquiries and offer support
- Request user feedback
- Improve the user experience
- Enforce terms and conditions and policies
- Protect from abuse and malicious users
- Respond to legal requests and prevent harm
- Run and operate the Mobile Application and Services

Processing your Personal Information depends on how you interact with the Mobile Application and Services, where you are located in the world and if one of the following applies: (i) provision of information is necessary for the performance of an agreement with you and/or for any pre-contractual obligations thereof; (ii) processing is necessary for compliance with a legal obligation to which you are subject; (iii) processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in us; (iv) processing is necessary for the purposes of the legitimate interests pursued by us or by a third party.

Note that under some legislations we may be allowed to process information until you object to such processing (by opting out), without having to rely on consent or any other of the following legal bases below. In any case, we will be happy to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Information is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Managing information

You are not able to change or manage the data/information we have about you in your account. If you want to delete/change/update any data/information about you, you need to contact us and we will be happy to do it for you. When you delete Personal Information, however, we may maintain a copy of the unrevised Personal Information in our records for the duration necessary to comply with our obligations to our affiliates and partners, and for the purposes described below.

Disclosure of information

Depending on the requested Services or as necessary to provide any service you have requested, we may share your information with your consent with our trusted third parties that work with us, any other affiliates

and subsidiaries we rely upon to assist in the operation of the Mobile Application and Services available to you. In that case we will require those affiliates to honor this Policy. We do not share Personal Information with unaffiliated third parties. These service providers are not authorized to use or disclose your information except as necessary to perform services on our behalf or comply with legal requirements. We may share your Personal Information for these purposes only with third parties whose privacy policies are consistent with ours or who agree to abide by our policies with respect to Personal Information. These third parties are given Personal Information they need only in order to perform their designated functions, and we do not authorize them to use or disclose Personal Information for their own marketing or other purposes.

We will disclose any Personal Information we collect, use or receive if required or permitted by law, such as to comply with a subpoena, or similar legal process, and when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request.

We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

Safety of information you provided

We have implemented appropriate technical and organizational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security, and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Mobile Application is at your own risk. You should only access the Mobile Application within a secure environment.

Retention of information

We will retain and use your Personal Information for the period necessary to comply with our legal obligations, resolve disputes, and enforce our agreements unless a longer retention period is required or permitted by law. We may use any aggregated data derived from or incorporating your Personal Information after you update or delete it, but not in a manner that would identify you personally. Once the retention period expires, Personal Information shall be deleted. Therefore, the right to access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after the expiration of the retention period.

The rights of users

You may exercise certain rights regarding your information processed by us. In particular, you have the right to do the following: (i) you have the right to withdraw consent where you have previously given your consent to the processing of your information; (ii) you have the right to object to the processing of your information if the processing is carried out on a legal basis other than consent; (iii) you have the right to learn if information is being processed by us, obtain disclosure regarding certain aspects of the processing and obtain a copy of the information undergoing processing; (iv) you have the right to verify the accuracy of your information and ask for it to be updated or corrected; (v) you have the right, under certain circumstances, to restrict the processing of your information, in which case, we will not process your information for any purpose other than storing it; (vi) you have the right, under certain circumstances, to obtain the erasure of your Personal Information from us; (vii) you have the right to receive your information in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance. This provision is applicable provided that your

information is processed by automated means and that the processing is based on your consent, on a contract which you are part of or on pre-contractual obligations thereof.

Privacy of children

We do not knowingly collect any Personal Information from children under the age of 18. If you are under the age of 18, please do not submit any Personal Information through the Mobile Application and Services. We encourage parents and legal guardians to monitor their children's Internet usage and to help enforce this Policy by instructing their children never to provide Personal Information through the Mobile Application and Services without their permission. If you have reason to believe that a child under the age of 18 has provided Personal Information to us through the Mobile Application and Services, please contact us.

Information security

We secure information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use, or disclosure. We maintain reasonable administrative, technical, and physical safeguards in an effort to protect against unauthorized access, use, modification, and disclosure of Personal Information in its control and custody. However, no data transmission over the Internet or wireless network can be guaranteed. Therefore, while we strive to protect your Personal Information, you acknowledge that (i) there are security and privacy limitations of the Internet which are beyond our control; (ii) the security, integrity, and privacy of any and all information and data exchanged between you and the Mobile Application and Services cannot be guaranteed; and (iii) any such information and data may be viewed or tampered with in transit by a third party, despite best efforts.

Data breach

In the event we become aware that the security of the Mobile Application and Services has been compromised or users Personal Information has been disclosed to unrelated third parties as a result of external activity, including, but not limited to, security attacks or fraud, we reserve the right to take reasonably appropriate measures, including, but not limited to, investigation and reporting, as well as notification to and cooperation with law enforcement authorities. In the event of a data breach, we will make reasonable efforts to notify affected individuals if we believe that there is a reasonable risk of harm to the user as a result of the breach or if notice is otherwise required by law. When we do, we will post a notice in the Mobile Application, send you an email.

Changes and amendments

We reserve the right to modify this Policy or its terms relating to the Mobile Application and Services from time to time in our discretion and will notify you of any material changes to the way in which we treat Personal Information. When we do, we will post a notification in the Mobile Application. We may also provide notice to you in other ways in our discretion, such as through contact information you have provided. Any updated version of this Policy will be effective immediately upon the posting of the revised Policy unless otherwise specified. Your continued use of the Mobile Application and Services after the effective date of the revised Policy (or such other act specified at that time) will constitute your consent to those changes. However, we will not, without your consent, use your Personal Information in a manner materially different than what was stated at the time your Personal Information was collected.

Acceptance of this policy

You acknowledge that you have read this Policy and agree to all its terms and conditions. By accessing and using the Mobile Application and Services you agree to be bound by this Policy. If you do not agree to abide by the terms of this Policy, you are not authorized to access or use the Mobile Application and Services.

How can you review/change/update/delete the data we collect from you?

Based on the applicable laws of your country, you may have the right to request access to the personal information we collect from you, change that information, or delete it in some circumstances. To request to review, update, or delete your personal information, please contact us. We will respond to your request within 30 days.

Contacting us

If you would like to contact us to understand more about this Policy or wish to contact us concerning any matter relating to individual rights and your Personal Information, you may send an email to support@doppl.ca.
