Directors' Report Interim Financial Statements - 31 December 2016

The Directors of the Company present their report for EVE Investments Limited for the half-year ended 31 December 2016.

Directors

Directors of the company at any time during or since the end of the half-year are:

Mr Alasdair Cooke – Executive Chairman
Mr Gregory (Bill) Fry – Executive Director
Mr George Cameron-Dow – Non-Executive Director

Review of Operations

EVE Investments is an Australian Securities Exchange Listed Investment Company that invests in technology companies. With a preference for companies that have global scale, EVE is an investment partner that wants to help build ground breaking and enduring technology.

Omni Innovation

EVE's main investment is a stake in medical technology company Omni Innovation. During the period the Company made a further investment of \$1,000,000 as part of its second tranche investment into Omni Innovation. The Company is committed to investing a further \$625,000 by 31 March 2017 to complete the investment and take EVE's stake to ~40%, see notes 11 and 13 for additional information about EVE's commitment. Through the Company's initial agreement with Omni Innovation, EVE has secured the right to publicly list Omni Innovation within two years, providing EVE shareholders with preferential entitlement to participate in the listing.

Omni Innovation's flagship product is a patented food-grade pre-meal drink called Faulding® GlucoControl™, which helps to manage type 2 diabetes and pre-diabetes. The drink has been clinically shown to reduce blood glucose level peaks by 35 per cent after carbohydrate containing meals. Globally, the type 2 market is worth US\$60 billion, with over 387 million people living with type 2 diabetes. Sales commenced in August 2016 in Australia through Faulding.

Omni Innovation signed a UK distribution agreement in the period with the UK's number one direct supplier of vitamins and supplements, Healthspan. A representation agreement with US company Global Brand Consulting LLC (part of the Star Brands network) has identified several key distribution partners in the US and other regions.

Corporate Review

In November 2016, EVE conducted a placement at 1 cent per share to raise \$600,000 before costs by issuing 60,000,000 new shares to a new strategic investor, the Tianjin Tongrentang Group via its Australian subsidiary TRT Investment Group. Tianjin Tongrentang Group is one of China's oldest pharmaceutical and traditional chinese medicine (TCM) enterprises.

Additionally, on 23 December 2016 the Company completed a two-tranche placement to raise up to \$1.6m at \$0.008. A tranche 1 placement of \$630,000 was completed in late December. The placement includes a \$300,000 subscription by ASX listed Refresh Group Limited (ASX: RGP) a water-bottling and distribution company with operations in multiple Australian states.

The tranche 2 placement for a further \$1,000,000 will be completed in the first quarter of 2017, subject to approval at a shareholder meeting. A 1 for 6 entitlement issue to raise up to \$1.96m was withdrawn in the period due to the minimum subscription not being received.

Auditor's Independence Declaration

The auditor's Independence Declaration is set out on page 6 and forms part of the Directors' report for the half year ended 31 December 2016.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of EVE Investments Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of EVE Investments Limited, which comprises the statement of financial position as at 31 December 2016, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a statement of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2016 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of EVE Investments Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of EVE Investments Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

BDO Audit (WA) Pty Ltd ABN 79 112 284 787 is a member of a national association of independent entities which are all members of BDO Australia Ltd ABN 77 050 110 275, an Australian company limited by guarantee. BDO Audit (WA) Pty Ltd and BDO Australia Ltd are members of BDO International Ltd, a UK company limited by guarantee, and form part of the international BDO network of independent member firms. Liability limited by a scheme approved under Professional Standards Legislation, other than for the acts or omissions of financial services licensees.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of EVE Investments Limited is not in accordance with the *Corporations Act 2001* including:

- (i) Giving a true and fair view of the company's financial position as at 31 December 2016 and of its performance for the half-year ended on that date; and
- (ii) Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Emphasis of matter - Material uncertainty relating to going concern

We draw attention to Note 1 in the financial report which describes the events and/or conditions which give rise to the existence of a material uncertainty that may cast significant doubt about the entity's ability to continue as a going concern and therefore the entity may be unable to realise its assets and discharge its liabilities in the normal course of business. Our conclusion is not modified in respect of this matter.

1. Basis of preparation of half-year statements

These general purpose financial statements are for the interim half-year reporting period ended 31 December 2016 and have been prepared in accordance with *Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Act 2001*.

The financial report does not include all the notes of the type normally included in the annual financial statements. Accordingly, this report is to be read in conjunction with the annual financial statements for the year ended 30 June 2016 and any public announcements made by EVE Investments Limited during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

Going Concern

For the period ended 31 December 2016 the entity recorded a loss of \$719,881 and had net cash outflows from operating activities of \$321,161. Furthermore, the entity has commitments of \$625,000 pertaining to the investment in Omniblend Innovation Pty Ltd to increase the entity's stake to approximately 40%. The ability of the entity to continue as a going concern and being able to fund its operating and marketing activities is dependent on securing additional funding through a share placement to new or existing investors, or by raising equity by conducting an entitlement issue with existing shareholders.

These conditions indicate a material uncertainty that may cast significant doubt about the entity's ability to continue as a going concern and, therefore, that it may be unable to realise its assets and discharge its liabilities in the normal course of business.

The Directors believe there are sufficient funds to meet the entity's working capital requirements and as at the date of this report. Subsequent to period end the entity expects to receive additional funds via equity.

The financial statements have been prepared on the basis that the entity is a going concern, which contemplates the continuity of normal business activity, realisation of assets and settlement of liabilities in the normal course of business for the following reasons:

- The directors have prepared cash flow projections that support the ability of the entity to continue as a going concern, subject to raising additional funds through equity as detailed above; and
- The entity also has the ability to reduce its expenditure to conserve cash.

Should the entity not be able to continue as a going concern, it may be required to realise its assets and discharge its liabilities other than in the ordinary course of business, and at amounts that differ from those stated in the financial statements and that the financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or liabilities that might be necessary should the entity not continue as a going concern.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period.

2. Significant accounting Policies

The accounting policies applied by the Group in these interim financial statements are the same as those applied by the Group in its financial statements as at and for the year ended 30 June 2016.

New, revised, or amending Accounting Standards and Interpretations adopted

The entity has adopted all new, revised, or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting

Notes to the financial statements
31 December 2016

period. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the entity.

Any new, revised or amending Accounting Standards or Interpretations that are not mandatory yet have not been early adopted.

3. Investments in associates
