## Update on Capital Raising

EVE Investments (ASX:EVE) would like to update shareholders on the progress of the capital raising (see announcements on 23 March and 27 March) that is being conducted to complete the second tranche investment into Omni Innovation.

The Company is continuing discussions with potential investors and expects to resolve the capital raising within the week. A further announcement will be provided to shareholders in due course, at which point the voluntary suspension will be lifted.

### About EVE Investments

EVE Investments is an Australian Securities Exchange Listed Investment Company that invests in technology companies. With a preference for companies that have global scale, EVE is an investment partner that wants to help build ground breaking and enduring technology.
