## Omni Innovation secures UK Distribution Deal

### Highlights

- Omni Innovation has entered into a binding exclusive product license term sheet with Healthspan which is the UK's number one direct supplier of vitamins and supplements
- The 15-year agreement is to license Omni Innovation's technology behind its flagship formulation to reduce meal GI by an average of 35%
- The agreement will provide Healthspan's customers direct access to this ground breaking technology

EVE Investments (ASX:EVE), an ASX-listed technology investment company, is pleased to provide an update on its portfolio company, Omni Innovation, the food technology company focused on foods for special medical purposes.

### Exclusive product license agreement

Omni Innovation has entered into a binding term sheet for a 15-year exclusive product licence agreement with UK company Healthspan. The agreement includes milestones and marketing commitments that are required to maintain exclusivity. It also requires branding and manufacture of the groundbreaking formulation to be undertaken by Healthspan. Omni Innovation will receive a royalty based off gross sales of the product in the UK.

After the recent launch of its technology in Australia, Omni Innovation is very excited to have such a dynamic and experienced partner to make such a long commitment to ensure its technology is successfully distributed to a new and significant market.

“Healthspan's reach and direct approach to its significant customer base make it an exciting licensing partner for our first expansion outside Australia. Omni Innovation looks forward to working together with Healthspan for this technology as a pathway and model into the UK - and potentially greater EU - for this and future products” said Arie Nudel, Managing Director, Omni Innovation.
