

Add Gig Room to your Home Screen (iOS)

1. Tap the **Share** button at the bottom of the page. It looks like a square with an arrow pointing out of the top.
2. In the list of options that appears, scroll down until you see **Add to Home Screen**. Tap this.
3. On the next screen, choose Gig Room. You'll see the link so you can confirm it, as well as our icon. Click **Add** at the top.
4. Now just tap the new app on your home screen, and you'll be in a Gig Room in a few clicks.
