**SHAAN
FOUNDATION**

EDUCATION TO ETHICS

THE PROGRAMME

A prelims & mains integrated, “Your priorities” driven programme while being syllabus driven and focusing on key Demands of exam. (1 and 2 year programme)

ABOUT US

Our Vision

Becoming the pioneer in civil service preparation by moving away from “conventional one size fits all coaching model” to “Individual centric model”

Our Mission

Making students more prudent, efficient, committed, competent and syllabus driven while inculcating civil service relevant skills

Our Values

Optimism, dynamism and multipotentiality with creativity and critical thinking in the framework of civil service ethics and constitutional values.

*Get in touch and find out how you can be part of the **SHAAN FOUNDATION** family.*

WHY SHAAN?

1

Weekly targets according to the strength and weakness of individuals

Individual Centric Approach

- *Better track of preparation*
- *Confidence building measures*

From book review to summary writing, everything is designed specifically for an individual

2

Articulation and Analytical Skills with precision

Prelims and Mains Integrated Approach

Daily answer writing combined with frequent objective tests

Review of previous year question papers (both prelims and mains)

3

Being syllabus driven and syllabus relevant

Quality content, Broader thinking process and Knowledge diversification

Establishing interconnection between various General Studies papers

Analysing various Government and NITI Aayog reports

What we do at **SHAAN**

Inculcating Analytical Skills

- Detailed & multidimensional discussion on the newspaper
- Coverage of current affairs on weekends
- Writing summaries on articles and reports and it's regular evaluation

Emphasis on Articulation & writing

- Regular questions based on class topics
- Structure formation through summary of newspaper articles
- Weekly classes on answer evaluation
- Book review
- Summary of reports

Developing Understanding

- Focus on reading skills
- Detailed discussion on syllabus and previous year question papers
- Work on basic concepts like DPSP, preamble etc
- Books covering various aspects of syllabus and their comprehension
