There are multiple ways to earn Robux, and even some opportunities to get some absolutely free!

Continue below for the best methods to do so.

How to get Free Robux

Purchasing anything from the in-game catalogue requires Robux, the official currency.

IT'S EASY: Just follow the steps we list below!

And the more you have, the more special items you can buy!

Using Robux allows users to create game passes and developer products in different games – a touch that cements Roblox as a game of the future.

There are a couple of reliable ways to make some quick cash, so we will take you through them below.

Create a Game

However, one of the best way to actually get 'free' Robux is by creating your very own Roblox game.

JAILBREAK: No matter which side you are on, you'll need to keep your wits about you.

All users are able to build as many games as they want, and it's pretty easy to do so:

Click 'Create' in the blue bar at the top of the page  
In the 'My Creations' tab, click 'Games' if it isn't already highlighted  
Click 'Create New Game'  
Choose the settings and templates for your new creation, then click 'Create Game'

While you can earn actual real-life currency with in-game purchases, you can also monetize certain elements of your game to collect Robux.

Sell your Clothes  
Well, not literally the ones off your avatar's back - ones you've made yourself!
