Subject: Notification of confirmed COVID-19 case at St. Charles Mountain

Dear members of our St. Charles Adult and Continuing Education learning community,

This letter is to inform you that a staff member at St. Charles Adult & Continuing Education Centre – Mountain location has tested positive for COVID-19. The individual was last in the school on Wednesday, September 29, 2021. The positive test result was confirmed by Hamilton Public Health Services today. Out of respect for the privacy of the individual, personal health information and identifiers will not be released. Persons who test positive for COVID-19 may not return to school until they are cleared by HPHS.

The individual did not have any contact with adult learners. Hamilton Public Health Services has indicated that there are no school-related close contacts with this individual and therefore no risk to the school.

The school is working closely with public health officials to ensure that all health and safety measures are in place to prevent transmission to other individuals in the school. Learners and staff should continue to attend school and to screen daily for COVID-19 symptoms on the provincial [COVID-19 school screening website](#). Please follow the directions provided in the COVID-19 school screening. If you should develop any COVID-19 symptoms, you must stay home from school and should get a COVID-19 test. To book a COVID-19 test, please go to www.HamiltonCovidTest.ca.

If you have any questions about COVID-19, please consult the Hamilton Public Health COVID-19 School Health program Hotline at 905-974-9848 (option 5) or covidschoolteam@hamilton.ca.

Please be assured that the health, safety and well-being of our St. Charles learners and staff continues to be our top priority.

Sincerely,

Mr. M. DiVittorio
Principal
