

objective

I'm a BFA Graphic Design graduate seeking a position as a Designer where I can develop creative solutions for a variety of design applications, collaborate with a team, and continue to grow as a designer.

work experience

SJSU Steinbeck Center

Web Designer

(May – October 2021)

Designed and built a new website for the Steinbeck in the Schools program. Developed brand identity and collateral to support the refreshed online presence.

Sandia National Laboratories

Graphic Design Intern

(2019 – 2021)

Worked within the Creative Services group to create design projects for in-house customers including: posters, Powerpoints, illustrations, event collateral, signage, kiosk banners, brochures, and tutorial booklets.

Topcon Positioning Systems Inc.

Digital Graphics and Photography Intern

(June – August 2018)

Collaborated with Marketing team and other interns. Created promotional materials such as business cards, flyers, and posters.

exhibitions

Beyond Borders – IDEEC Design Conference

Brochure Design Selected for Exhibition

Hammer Theater in San Jose, CA

(August 2019)

Student projects focusing on the implications of borders and immigration were displayed at the design conference.

special projects

CSU Media Arts Festival (MAF)

Finalist for Two Short Motion Graphics

(2021)

Chosen as a finalist for two motion graphic projects in the 2021 CSU MAF.

Campus Movie Festival (CMF)

Graphic Designer for Short Film Team

(2018, 2019, 2020)

Part of a small team that created a short film in a week for the CMF Film Festival. Designed title and credits each year.
