## Course Description:

This nationally recognised course will provide participants with the skills and knowledge to operate and maintain a four-wheel drive vehicle and operate a light vehicle in the resources and infrastructure industries

In this course, participants will learn to:

- Carry out pre-start, start-up, park-up and shut down procedures for a light vehicle
- Perform pre-departure checks on equipment
- Program navigation equipment
- Operate a four-wheel drive vehicle both on- and off-road
- Apply defensive driving techniques, including emergency breaking
- Perform recovery of a four-wheel drive vehicle using multiple types of recovery equipment

Upon successful completion of your training and assessment, you will receive a Nationally Recognised Statement of Attainment for RIIVEH305F and RIIVEH291E. You will be required to achieve full competency in this unit to receive a statement of attainment.

## Important Information:
