

Course Title:	Multi-Combination (MC)
Course Code/s:	TLIC4006 Drive Multi-Combination Vehicle
Pre-requisite/s:	Nil
Location:	Martyr Training, 64 Duchess Road, Mount Isa, QLD, 4825
Duration:	Students are trained to the level in which they are competent. The participant will be required to attend an initial assessment of competency to determine how much training is required.

Course Description:

This nationally recognised course will provide participants with the skills and knowledge required drive a multi-combination vehicle.

In this course, participants will learn to:

- Systematically and efficiently control all vehicle functions
- Monitor traffic and road conditions
- Manage vehicle condition and performance
- Couple and uncouple dollies
- Manage hazardous situations

Completion of this unit of competency will be awarded a Statement of Attainment. You must present the statement of attainment to Transport and Main Roads to apply for a Multi-Combination Vehicle Licence (Class MC). To be eligible to apply for a multi-combination (class MC) licence, you must have held your heavy rigid (class HR) or heavy combination (class HC) licence for at least 1 year.

Assessment Requirements:

To meet the requirements set out by ASQA, participants must demonstrate competence in both the:

- Written knowledge assessment
- Performance assessment, involving active participation in practical scenarios. This may include writing and completing relevant documentation, such as risk assessments, incident reports, and/or equipment checklists.

Important Information:

- There are no pre-requisites for this course, however participants must have sufficient literacy and numeracy skills to skills to successfully complete the training – this includes being able to read and write **Standard Australian English at a Year 8 level.**
- Participants must bring **photo ID** and **USI** (unique participant identification number) to all face-to-face sessions, including assessment.
- Courses are conducted in a simulated work environment. Participants must be attired appropriately with **enclosed shoes**. Participants wearing sandals or thongs will not be allowed into the course.
- To allow time for registration, **please arrive 15 minutes prior to the commencement of your course.** Participants who arrive late will not be allowed into class.
- Participants will be required to undertake practical training and assessments at floor level and light manual handling, such as bending, twisting, kneeling, dragging, lifting light objects at waist or shoulder height. **If you have poor mobility or a current injury, please discuss this with us prior to booking.**
