Course Description:

This nationally recognised course will provide participants with the skills and knowledge to provide a first aid response to a casualty in a remote or isolated site over an extended period of time until medical assistance is provided, or evacuation occurs, including effectively performing cardiopulmonary resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) Guidelines.

In this course, participants will learn to:

- Plan and prepare for emergencies in remote or isolated settings
- Effectively provide CPR to an unconscious casualty
- Manage environmental issues (such as heat induced illness and hypothermia)
- Communicate with emergency services
- Assist with the evacuation of the sick and injured

Upon successful completion of your training and assessment, you will receive a Nationally Recognised Statement of Attainment for HLTAID009 Provide Cardiopulmonary Resuscitation and HLTAID013 Provide First Aid in Remote or Isolated Site. You will be required to achieve full competency in this unit to receive a statement of attainment.
