CARE PACKAGE

'TAG'... YOU'RE IT!

Dear FCC family...

We want to serve one another in LOVE and care for one another even though we can't meet together as we would like to. Playing "Care Package TAG" is one way to do this!

HOW CAN YOU PLAY?

1. When you receive a CARE PACKAGE, if you are able, you continue the game of 'tag' by creating two small CARE PACKAGES from either new items or items from around your house. Include whatever you'd like: funny or serious, simple or fancy, candy or food, etc. (You can also initiate the game of 'tag')!!

2. Include this FCC laminated card (that you can pick up at the church office mailbox outside the admin doors) or you can download and print the card from the website https:www.yourfcc.ca—*along with a handwritten note of love.*

3. Deliver the CARE PACKAGE to two (2) homes! **TAG**—they are it!!

4. If you've given and received at least one CARE PACKAGE, you can consider your role in this game fulfilled, but may continue if you feel so led.
