(937) 931-1116

A hard-working student focused on studying the world of design and stepping into a real-life experience opportunity. Experienced in a variety of design applications and dedicated to building hands-on knowledge in design and all that goes into working in the design field.

Education

The Modern College of Design, Kettering, Ohio

2019–Present

Associate's Degree in Applied Business in Design.

Tri-County North High School, Lewisburg, Ohio

2016–2019

Extracurricular Activities: Second and third chair flute in the marching band, pep band, and concert band (2015–2019)

Experience

- Worked as a volunteer with the Tri-County North marching band during its yearly band camp. Helped serve food in servings safe for COVID-19, so that students and staff could enjoy a safe and healthy meal-time. (2019 and 2020)
- Volunteered to help with the setting up, taking down, and sorting of entries for the American Advertising Awards at The Modern College of Design (2019 and 2020)
- Volunteered as a babysitter for a relative's twin toddlers. Provided children with meals, entertainment, and a safe environment so that they could thrive while their parents were busy (2017-present)

Skills

- Experienced in working with applications such as **Adobe Illustrator**, **Adobe Photoshop**, **Adobe After Effects**, **Adobe InDesign**, **Google Docs**, **Google Slides**, **Keynote**, **Sketch** and **Procreate**, technology such as the **Macbook Pro**, the **iPad Retina**, the **iPencil**, and applications such as **Zoom**, **Google Meet**, and **Google Chat** for social-distance communication.
- Can read music as a result of years of strong dedication to concert band, pep band, and marching band.
- Good with children and has a strong ability to be patient and understanding with others.
