

Covid 19 Policies Are As Follows:

Enhanced Room Cleaning: Hospital grade cleaning procedures will be used to disinfect rooms and all surfaces between guest stays.

Social distancing: Encouraged in common areas on the campground.

Low contact check-in/out: Mobile check-in and express checkout, which minimize contact between guests and staff.

Masks required for guests and staff: Staff and guests are required to wear masks (face coverings) while in common areas.

Staff health screenings: Daily temperature checks for all staff working the campground.

Trained local safety leaders: Management trained to oversee compliance with health and safety protocols.
