I am the owner of the above described animal and have the authority to execute this consent.

I hereby authorize the performance of the procedure(s) and/or operation(s) listed.

I authorize the use of appropriate anesthetics, a pre-anesthetic health screen and other medications; and I understand that hospital support personnel will be employed as deemed necessary by the veterinarian. I also consent to treatment of any unforeseen emergency.

Our hospital strongly believes in compassionate, quality medical care for our patients. Pain management is not only humane, but helps your pet feel better, and may prevent adverse medical consequences associated with uncontrolled pain. As a result, all surgical patients will receive pain management during surgery and postoperative recovery. Additionally, medication may be prescribed for use at home.

I have been advised as to the nature of the procedure(s) or operation(s), and the risks involved. I realize that results cannot be guaranteed.

We make every effort to provide state-of-the-art, caring veterinary services to your pet. In return, we ask that our clients pay for these services at the time they are rendered.

Please specify who will be **dropping your pet off** today?

Please specify who will be **picking your pet up** today?

How would you like to be notified of surgical updates?
