INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of
Rainforest Partnership

We have reviewed the accompanying financial statements of Rainforest Partnership (a nonprofit organization), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

A handwritten signature in blue ink that reads "Avenson Hamann CPAs, LLP".

**NOTES TO THE
FINANCIAL STATEMENTS**

RAINFOREST PARTNERSHIP
(A Nonprofit Organization)
Notes to Financial Statements
For the Year Ended December 31, 2016

1. NATURE OF OPERATIONS

Rainforest Partnership is an international nonprofit organization based in Austin, Texas, dedicated to protecting tropical rainforests. Rainforest Partnership works directly with rainforest communities to create a basic income by sustainably developing products and services found only in the forest, giving the community a stake in keeping their forests intact.

By fostering collaborative partnerships directly with rainforest communities around the globe, Rainforest Partnership creates innovative opportunities to protect the forest. The approach is two-tiered:

- Collaborate with indigenous rainforest communities to implement projects that will have direct and measurable accomplishments in rainforest protection. These projects create sustainable income streams that make the rainforest as important economically as it is environmentally.
- Create a global network of rainforest partners that advocate and act on behalf of the rainforest; Rainforest Partnership does this by using innovative technologies to engage people while bringing the forest to the people around the world. Ongoing outreach initiatives include: Films for the Forest, an international short film challenge, Rainforest Listening, and an Education Initiative.

Summary of success to date for 2016 includes:

- Worked with 4 indigenous communities in Peru & Ecuador representing over 2,000 people, and helping them protect nearly 100,000 acres of rainforest land.
- Projects include producing artisan products, palm fiber harvesting and broom making, ecotourism and the designation of protected areas.
- Created two new projects to build: a Butterfly Sanctuary to protect the butterfly habitats and restore their population in the cloudforest region in Peru; a Traditional Medicine Center in the deep Achuar territory in Peru to help them protect their territory and cultural heritage.
- Exploration of new partner communities to help them make an income on their own while protecting their forests from outside interests.
- Presented rainforest education as part of an Education Initiative.
- Received 122 film submissions from 34 countries from 4 continents and screened winning films at the SXSW Film Festival Community Screenings.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Accordingly, revenue is recognized when earned and expenses when the obligation is incurred.

Classification of Net Assets

Net assets, revenues and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. As of December 31, 2016, the Organization had \$3,200 of temporarily restricted net assets restricted for film festival prizes.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that may be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. The Organization did not have any permanently restricted net assets as of December 31, 2016.

Contributions Revenue

Contributions, including unconditional promises to give, are recorded at fair value when promises are made by the respective donors. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support. Conditional promises to give are recognized only when the conditions on which they are dependent are substantially met. The Organization considers all contributions to be unrestricted unless there is a donor-imposed stipulation specifying a use for the contribution that is more specific than the broad limits resulting from the nature and purpose of the Organization and its continuing programs.

(A Nonprofit Organization)
Notes to Financial Statements
For the Year Ended December 31, 2016

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

The Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Expense Allocation

The cost of providing various programs and other activities has been summarized on a functional basis in the accompanying financial statements. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses that can be identified with a specific program or that relate to a specific source of revenue are allocated directly to that program.

Income Taxes

The organization is a nonprofit organization exempt from federal taxes under Section 501(c)(3) of the Internal Revenue Code and is classified as an organization other than a private foundation. Therefore, no provision for income taxes was made in the accompanying financial statements. The Organization files IRS Form 990 and is subject to routine audits by taxing jurisdictions; all tax filings are current and there are no examinations currently in progress. The Organization believes it is no longer subject to Internal Revenue Service examinations for tax years ending prior to 2014. The Organization is subject to taxes on unrelated trade or business income.

Property and Equipment

Purchases of property and equipment are reported at cost. Donated assets are reported at estimated fair market value as of the date of donation. The Organization capitalizes all acquisitions of property and equipment with a value of \$1,000 or more and a useful life of more than one year. Depreciation expense is calculated using the straight-line method over the following estimated useful lives:

Furniture and Fixtures	5-7 years
Computer & Related Equipment	3 years

RAINFOREST PARTNERSHIP

Notes to Financial Statements
For the Year Ended December 31, 2016

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

Management has evaluated subsequent events through the date of the Independent Accountants' Review Report, the date the financial statements were available to be issued. On June 27, 2017, the operating lease agreement ending June 30, 2017 was extended to June 30, 2018. The existing terms and monthly lease payments remain unchanged.

3. CONCENTRATION OF CREDIT RISK

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents. The Organization's deposits did not exceed the federal depository insurance limits as of December 31, 2016.

4. LEASE COMMITMENTS

The Organization's month-to-month lease agreement, under which lease payments were waived as an in-kind donation, ended in 2014. The Organization leases its administration office under a 15-month operating lease agreement that began February 25, 2015 and was extended on June 17, 2016 to June 30, 2017 with an option to extend again. Lease expense, including common area maintenance, taxes and insurance, for the year ending December 31, 2016 was \$21,865. As of December 31, 2016, future minimum operating lease payments, including common area maintenance, taxes and insurance, are approximately \$11,500, due in 2017.

5. DONATED SERVICES, SUPPLIES AND FACILITIES

The Organization recognized the following in-kind revenue and expense for the year ended December 31, 2016:

Services	\$ 367,317
Auction Items	3,698
Food	<u>2,110</u>
Total In-Kind Contributions	<u><u>\$ 373,125</u></u>

The above is based on management's estimate of fair market value based on grant guidance or from professional appraisers. Services are valued using the Independent Sector estimated value of volunteer time per hour for 2016 unless the service provider submitted an invoice documenting the value donated based on standard billing rates.
