

bending the arc toward justice for 25 years

INTERFAITH ALLIANCE OF IOWA  1996 – 2021

Meet our community speaker —

Pastor Rob Johnson

20/20 Vision Project, Director of Voter Registration

Rev. Rob Johnson was born and raised in the projects of Chicago by a single mother of three. He came to Des Moines to attend Drake University. Growing up his mother, Ms. Jaunice Johnson, taught him and his sisters the value of community. Rob took that to heart by becoming a community activist, and currently serves on multiple boards such as Iowa Juneteenth, Back 2 School Iowa, Des Moines Selma, a volunteer with Investing in My Future, and many others. Recently Rob was the National Church & Faith Outreach Coordinator for the Biden-Harris Campaign, overseeing a combined total of nearly 90,000 churches and faith leaders nationwide.

Rob is currently working with Deidre DeJear and the 20/20 Vision Project to help make sure our communities are educated about voting and the voting process. He and a team of advocates continue to push for racial, social, and economic justice and mental health issues facing our communities in the state of Iowa and nationwide. Rob pushes these issues on his three podcast shows: the Urban Impact Show, Faith & Politics, and Conversations with Rob Johnson. Rob always says his dream is to make his deceased mother proud.

Join us in celebrating!
