# Co-developer wanted!

### We are:

A freshly founded tech startup from Kiel. With our product we want to create awesome organizations and revolutionize everyday management. For the development of our SaaS-solution we are looking for additional software developers now.

### We offer:

- The opportunity to contribute your ideas
- A small, familiar and friendly team
- Career option of becoming Lead Dev/CTO
- Modern working methods and tools
- Lean and pragmatic ways of collaboration
- Support of home office solutions (if you like)

### We use:

- NodeJS
- Express
- TypeScript
- Docker
- Mongo DB
- React/Next
- Redux
- AWS
- Heroku
- Github

### You are:

- A passionate software developer (junior, advanced, senior)
- Experienced in frontend- and backend-development
- Highly motivated to learn new things and to work within a young team

Do you have any questions? Feel free to contact us!

We look forward to receive your application including a list of your skills. Github repos are also welcome.
