PRIVATE OFFERINGS

Some of the investment opportunities presented on the TPC platform are “private offerings” of securities that are not publicly traded, are subject to holding period requirements, and are intended for investors who do not need a liquid investment. The private offerings will not be registered with the SEC or any state securities commission or regulatory authority. Investments in private offerings are highly illiquid and those investors who cannot hold an investment for the long term (at least 5-7 years) should not invest. Investments in private offerings are speculative and involve a high degree of risk and those investors who cannot afford to lose their entire investment should not invest in such offerings.

ACCREDITED INVESTORS

There are certain investment opportunities that are only available to “Accredited investors” as defined under Rule 501 of the SEC regulations (“Rule 501”). Rule 501 defines an individual accredited investor as: “Any natural person whose individual net worth, or joint net worth with that person’s spouse exceeds \$1,000,000”; OR “Any natural person who had an individual income in excess of \$200,000 in each of the two most recent years or joint income with that person’s spouse in excess of \$300,000 in each of those years and has a reasonable expectation of reaching the same income level in the current year.”

Please note that certain investment opportunities presented by The Company are available only to “accredited investors” as defined under Rule 501 of the SEC regulations (“Rule 501”). No Warranties

The Application is provided to You "AS IS" and "AS AVAILABLE" and with all faults and defects without warranty of any kind. To the maximum extent permitted under applicable law, the Company, on its own behalf and on behalf of its affiliates and its and their respective licensors and service providers, expressly disclaims all warranties, whether express, implied, statutory or otherwise, with respect to the Application, including all implied warranties of merchantability, fitness for a particular purpose, title and non-infringement, and warranties that may arise out of course of dealing, course of performance, usage or trade practice.
