Musings & Reflections: Academy Experiences

Look at this section tomorrow for photos of Sunday night events!

Musings is a time each day when guest speakers talk about the role the arts have played in their lives. These events, during which the entire Academy gathers as a group, are usually among the most inspirational and meaningful aspects of the week.

Following **Musings**, your schedule lists **Reflections**. This time in the day provides respite and an opportunity to think about your Academy experiences. At Musings on Monday, you will receive a small notebook for your use during Reflections.

*Monday's Muser:
Eph Ehly,
Choral Conductor and
Professor Emeritus of the
Conservatory of Music at the
University of Missouri*

In order to maximize the experience, your attendance and participation in all Academy functions is expected. Each component of the Academy schedule is carefully designed for overall program success. Certificates of participation for participants who attend all sessions will be presented on Friday.
