Preparation of IFRS financial  
statements from competent  
specialists

# Potential risks in preparing IFRS financial statements

Contractors prepare IFRS reporting on a cash basis, which leads to a violation of standards

The wrong choice of the IFRS currency distorts the real picture of all financial statements

Lack of knowledge of a staff accountant does not allow to reduce the tax base in full

An expensive cost of specialised software forces you to prepare reports in Microsoft Excel, leading to errors

Entrust the solution of these issues to professionals

- ✓ Save your time and get professional assistance in IFRS financial statements preparation
- ✓ Experienced experts of our company will answer any questions regarding IFRS financial statements preparation
